# THE MAN OF BUSINES

Who desires to reach the great masses of the people, can do so quicker, cheaper and surer through the Tee-Dee Wants than through any other medium. The Tee-Dee Wants appeal to the home, to the people in the home. Those who are looking for work; those who want to buy, sell or exchange some article; those who want a cook or a farm manager; in short, people read Tee-Dee Wants because they are personally and vitally interested in what they find in them. Then is it not wise to lay before those people information about your store or your business? It makes no difference whother you sell shoes or renovate carpets. Tee-Dee Wants reach the people who buy.

# The Tee-Dee Money Picture.

If "Money" is going to other stores, You can make it come to you By putting an ad. in The Times-Dispatch. Try it. You'll find it true.

## A PRIZE OFFER.

A PRIZE OFFER.

The above picture is the one of a series of the same style, which The Times-Dispatch has prepared for the purpose of adding interest to the Tee-Dee Want Ad. Pages. These will be called The Tee-Dee Money Pictures, and the object of each will be to impress the fact that a very little Money can accomplish great results, when that Money is permitted to work through the Tee-Dee Wants.

It is possible that the picture and the poetry might both be improved a little, but the artist and the poet are both very proud of the work that they have done on this series of pictures and poems, and they feel quite certain that they have done better than any of The Times-Dispatch readers can do. The Times-Dispatch however, is not quite satisfied with their efforts and thinks that some of the amatour artists and poets, who read The Times-Dispatch can do better than these paid professionals have done. Therefore, The Times-Dispatch is going to offer three prizes of \$1 each for the three best pictures or poems received before next Thursday night.

The Times-Dispatch will be the judge and will pass impartially on each one received. If the poem is unusually good, it may win a prize without any reference to the picture, or if the picture is good, it may win without reference to the picture, or if the picture is good, it may win without reference to the picture or repem, or both.

If there are any very good pfetures or very good poems. The Times-Dispatch will publish them. None will be considered unless the general style and idea as given in the picture and verse above are followed and the real and full mame of the contestant must be signed to each picture or verse. The best three, whether they be pictures or poems, will each receive a dolar.

The next one of this series will appear next Sunday.

# ALL DRAWINGS MUST BE IN BLACK INK.
